Individual and Doubles Competitions

First of all my thanks go to Bruce Holden, Brian Samuels and Bob Capron for assistance with the draws for both the individual and Pairs competitions which took place at Walshaw on Tuesday. Whilst they only had numbers to arrange it was up to me to marry the numbers to the names of the entrant.

The final number of entrants for the Individual was 22 players. This means that the first 10 names drawn have a bye into the next round, while the remaining 12 players will be involved in the preliminary round.

As for the pairs competition, there were 12 pairs entered which means that four pairs are required to play in the preliminary round.
